From our Pastor . . .

A Transformational Church

A common topic of conversation in congregations today is, “What can we do to become a more vital, growing congregation?” The word most often associated with this conversation is “transformation,” and the question asked then is, “What sort of transformation is needed in the congregation?” This conversation takes place in all sorts of contexts: in congregations whose membership is dwindling, in congregations that are growing, and in congregations – like BAPC – whose growth is not sufficient to keep up with membership changes by death, age, and transition. Our Session is engaged in these kinds of conversations.

When a church needs to change – especially when the change desired is membership growth – there is often a tendency to look for some “solution” to the problem, some new approach or program that will “attract” potential new members. The people with the most experience in congregational transformation, however, suggest the transformation a congregation needs starts internally with the members. I recently read an article by Daniel P. Smith and Mary K. Sellon states it this way:

“A congregation that is truly being church brings people into a loving, life-giving relationship with God and others that is transformational. This is the nature of the *kin-dom* of God, where covenant relationships model the best aspects of family. People find hope. They experience belonging; they extend and receive forgiveness. They discover a sense of purpose and direction. They learn to live with appreciation and joy no matter what the circumstances. Although a pastor can preach and teach this message, the message has power only to the extent that the people in the congregation live it and practice it with one another.”*

“Practicing loving, life-giving relationships transforms congregation members.

Witnessing such benefits draws others who want something similar for themselves and their families.”

That is the kind of congregation we aspire to be here at BAPC. With God’s help, and our faithful response to God’s grace, we can continue to grow towards that aspirational goal.

Letters . . .

Dear Friends,
Our family would like to thank you for all your thoughts and prayers. We had a rough road to travel and decisions had to be made that no one wanted to make, especially for someone you love, our brother Charles. I know he is at peace and free of pain, in Heaven with our Mom and Dad. He's probably loving life once again, in a new beginning, a new journey of life. We will miss him badly, my brother Charles and the children's uncle, always giving and always caring.

May God Bless You All.

Love,

Margy and Doug Paz

Charles Terry's Family

My sincere thanks to my new church for the caring I received during my recent hospital stays. Your prayers, calls and cards did help along with visits from Charles and Shawn Thomas. I thank you.

Isabel McCormack

Dear Friends,

I appreciated your cards, calls and Charles your visits during my recent surgery. The prayer shawl is lovely and I have enjoyed it so much.

Thank you for being so caring.

You can check availability on-line at <http://bonairpc.us/blooddrive.shtml>. In addition, if you have any questions please contact Kris Morelli at 804-310-1068 or by email kmorelli@comcast.net. BAPC is very fortunate to have a number of regular donors who walk-in. We appreciate your donation, but it is much easier to schedule the right size blood mobile and appropriate staff if you sign-up in advance, so please consider doing so.*

In order to donate blood you must be 18 years old, or 16-17 years old with a parents' permission via the Parental Consent Form (<http://www.vablood.org/pdfs/DS%2037-11.pdf>) and:

- Weigh at least 110 pounds
- Be in good health on the donation day

*You can find the complete eligibility list at http://www.vablood.org/blood_donation_eligibility.php
 Thanks for considering a donation!*

HABITAT *is coming!*

So plan now to participate. BAPC will join with 11 other church groups in the Apostle Build program to construct a new home for a family. Habitat is funded by voluntary contributions of time and money. The ownership families are screened and receive guidance toward their home ownership status, also contributing their own labor and assuming manageable loan payments. Precise dates are not yet definite—depending on progress through all the approvals that must be obtained before construction begins—but Habitat anticipates that our week will be mid to late September. The work week is actually three days, Thursday, Friday and Saturday.

You can participate in several ways. No specific skills are required as on-the-job guidance is provided. Volunteers with willing hands are welcome. Tools are provided. Members can also participate by providing lunches and by your contributions. Each of the builder-groups contributes \$5,500 toward the project. BAPC has a portion of our amount on hand but will need to raise approximately \$1,500 in additional funds.

Look for additional and more definite information as it becomes available.

Christian Education Training

The Christian Education Division is holding training days on Sunday, August 23 and 30 from 9:30-10:30 a.m. We all have different strategies for teaching, but join us on these mornings, as we look closely at how as teachers, we are given the wonderful opportunity to learn as we share our knowledge with others. This time will be beneficial to all, whether you are a first time teacher, or a seasoned veteran. We will look across the spectrum of learning and develop and hone our tools as we get ready to instruct and lead God's people here at Bon Air in Sunday School.

Church School Clean-up Scheduled August 9 & 16

Cleaning Planned

A new Church School year is fast approaching (September 6!) and it is time to get the children, the youth and adult rooms ready. During the Church School hour – 9:30 a.m. to 10:30 a.m. – on Sunday August 9 and 16 the Christian Education Division is looking for volunteers to help prepare the rooms for the start of activities in the Fall. No soap, mops, or rags, just tidying up each room. An inventory of what needs to be done is underway and members of the division will be there both Sundays in August with their sleeves rolled up. Please join us since many hands make light work. For further information, contact Sally Schultz or Ted McCormack.

Making It Possible

Valued property improvements to Masanetta Springs Conference Center, new tables and chairs for the preschool, an innovative, inviting, and easily navigated website....what do these have in common? They were all made possible by the BAPC Endowment Fund and we need to hear from you!

The BAPC Endowment Fund Distribution Committee asks all BAPC members to prayerfully consider where this year's allocation can successfully propel our mission forward. Let us know by completing an application today. We are pleased to announce the available allocation for 2010 will be a total of \$3,960.75. This is an increase over 2009.

Adult Education

The Adult Education Committee has been diligently working to ensure that the educational needs of our congregation are met. This coming fall we will offer three different classes to accommodate for the varied interests we all have. **Join us for our kick-off Sunday on September 6 and get a chance to be Goldilocks and receive a precursor of each of these classes and see which one is just right for you!**

Adult Classes

The Foundations Course

This is a new course which will follow a new curriculum called AKALOO. This word may look hard to pronounce but it is derived from the Greek word which translates “to follow.” Jesus utilized this word numerous times in his ministry, and we as disciples are called to follow. This introductory course into Christianity will follow steps from who is God, to what it means to be a disciple, to being a Christian in the world, while using a Bible Study approach to faith formation.

The Thoughtful Christian

This class is designed for everyone, and will follow differing topics that every thoughtful Christian may or may not have thought about. From Going Green, to are there Demons in the world, to questions of Spirituality, the questions in this class will keep everyone gathered in great discussion and better understanding.

Comparative Religion

Have you ever wondered how other religions compare to Christianity? Then this high level thinking class is for you. We will begin by looking at Islam, and then proceed into Judaism and Buddhism. Through our inves-

PYC

Well, the fall is rapidly approaching and PYC is getting ready for all the wonderful programming and fellowship that brings us all together. We will begin our festivities on September 6 with a kick-off potluck dinner including games, fellowship, and an opportunity for all of us to be together again as a group.

We are still looking for dedicated advisors to work with our middle and high school youth. If you enjoy working with our young people, then PYC is definitely the place for you. The bonds that you make with these young people will last a lifetime. For more information, please contact Shawn Thomas Smith.

Remember PYC is a faith-forming place of identity, belonging, and fellowship. If you have not been here in a while, we miss you and need you to be a part of all that we do. **So be sure to join us on September 6 at 5:00 as we Kick-off PYC with a potluck dinner and you as a part of the festivities!**

Part-time Church School Registrar Needed

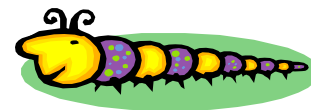

The Christian Education Division is recruiting a volunteer to serve as the "Fifth Sunday" Church School Registrar.

Duties include being in the Work Room from 8:30 to around 11:30 a.m. on those occasional months that have five Sundays, recording Church School and worship attendance, answering questions and infrequent phone calls (like, "What time is your 11 o'clock service?"), cleaning the coffee pot, keeping track of the set of master keys, sometimes providing all-around help as needed, and, most important, ringing the bell at 10:30 to announce the end of Church School. It is also a good opportunity to catch up on your reading or personal correspondence. In other words, it is pretty light but important and meaningful work.

Training is available from an experienced cadre of Church School registrars, and there is also an easy step-by-step guide available to use on Sunday morning. If you have the interest and a desire to help out the Church School, contact Ted McCormack at 378-0323 or tc McCormack@verizon.net.

Kid's Kingdom in WORM

You may have noticed the new sign-up board for our rotations, but did you know that we are making a few changes to the structure of this wonderful program, to make it even more of an educational opportunity for our children? The Christian Education division has been working hard to make this year's WoRM program the best ever. From the gathering to the workshops, everything about WoRM, is receiving the attention to detail that our children deserve.

The gatherings will serve not only to help teach our children the month's rotational theme and memory verse, but will also serve as a mini-worship service. Every week will offer music and time to worship together as a group. For the first two months, Rev. Smith will take the gathering times for each week. Following the first two months, the rotation leaders will each be responsible for one week during the month, but do not worry: the gatherings will be scripted and music provided for you, while allowing all of your creative energies to be utilized as we lead the children together to become followers of Christ.

The Workshops themselves are taking on a new gleam after a careful polishing and revamping of the material. Not only will the material be sent to the individual workshop leaders, they will also receive a detailed letter to help them in the preparation of the lesson including teaching strategies and notes about their specific workshop.

The hope for our WoRM program is to foster a loving relationship with Christ in all the children who come into Kid's Kingdom. This hope is made possible by each of you who volunteer your time and talents to make Worm a success. So the next time you walk by the board, take the time to sign-up for a workshop that utilizes your skills. We all make up the body of Christ, and individually we each have something to offer the WoRM program, so remember to use your gift and let your light shine!

Evening Worship September 13 "All About Communion"

Join us for evening worship on Sunday, September 13 at 6:00 as we take a close look into the Lord's Supper, and what this meal means to us in our faith. Did you know that the early church was accused of cannibalism because of this sacred meal? We will delve into the sacrament and learn just what communion is for each of us, why we continue to celebrate in this sacrament, and ultimately join together in the joyous feast at the table of God.

Christian Education Kick-Off Sunday September 6

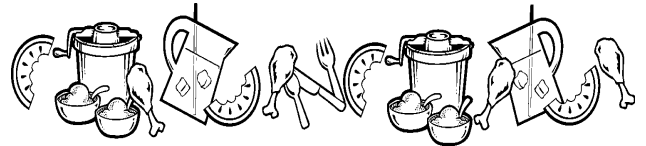

The fall is rapidly approaching and the Christian Education division has been gearing up for the new season of opportunities for this wonderful congregation. We are ready for the season to begin, and we are having a Kick-Off Sunday to celebrate and give out information about all the wonderful opportunities in store for everyone to be involved in.

We will begin the Sunday school hour with brief introductions of classes and then have an opportunity for fellowship. Divisions and committees will have informational tables setup for you to peruse and find even more opportunities for you here at Bon Air. We look forward to seeing all of you on Sunday, September 6 from 9:30-10:30 on our Kick-Off Sunday!

Chef's Club

Do you enjoy what it takes to make a successful meal come across? If you answered yes, then the Chef's Club needs your help! We are currently looking for cooks, servers, table setters, and are always in need of people on clean-up crews. If you are interested or would like more information, please contact

Project Burning Bush

Did you know that the Presbyterian Church USA is dedicated to fostering the gifts of ministry in our high school students? **PROJECT BURNING BUSH** is a program for high school youth who are considering ministry as a vocation. In short, it is a place to imagine and explore how their gifts and talents can be used for God's purposes, alongside others who are experiencing the same type of call.

This summer two of our very own Youth, Suzanne Huffine and Braden Wright, were challenged to consider their call to ministry by studying for two weeks with faculty and peers at Union Theological Seminary & Presbyterian School of Christian Education. They lived in community together on campus and used their gifts in areas such as worship, drama, video, recreation, mission and music as they took classes in theology, Christian education, spiritual practices, and contemporary ethics, among others. And each got a taste of what seminary life is all about.

But Braden and Suzanne are not finished just yet. The program consists of mentored projects that these two will continue to work on over the next year. Next summer they spend a four-day weekend at Union-PSCS to reconnect with friends, share the experiences of their Mentored Projects, and learn how to achieve their vocational goals once they leave the program.

The next time you see Suzanne or Braden, ask them about their experience, and find out what a wonderful experience **PROJECT BURNING BUSH** really is!

Mature Moderns

Friendship, Fellowship, and Fun

Mature Moderns, a sub-committee of the Fellowship Division, is composed of seniors of the church, their guests, friends and spouses. A program of speakers offering learning in a wide variety of areas will stimulate, educate and provide opportunities to gather during the year.

The programs are held in on the third Friday of each month from September to May, except December.

Come for coffee and conversation at 10:00 a.m. The program begins at 10:30 and usually lasts about one hour.

The committee for 2009 – 2010 are: Lorraine and Jerry Quigg, co-chairs; Betty and Milton Myers, co-chairs for hospitality, and Rita Kugler, telephone and data base chair.

The Program and Schedule

Dr. Heilman will also talk of his trip across the US in 2008 on his “Harley” visiting fellow marines. (The rumor is he is 83.) Take heart, Octogenarians!

Friday, October 16, 2009

Friday, November 20, 2009

“Virginia Indians—An Introduction to an Untold History.” Deanna Beacham is a program specialist for the Virginia Council on Indians. Ms. Beacham will provide a history of the trials and tribulations of Virginia Indians in the history of our Commonwealth.

Salt Shakers Sign-up Form

If you would like to better know your church family here at BAPC, while also enjoying delicious meals: then Salt Shakers is for you! For those not familiar with Salt Shakers, it is a pot luck supper group that meets three or four times a year. Couples and singles alike are welcome to participate. We will kick off our 2009-2010 season in the Fall and want to include you!

This year we are making a few changes that will hopefully open Salt Shakers up to more of our members and friends and lighten the load a little on our hosts. Besides providing the home, the hosts will prepare the entrée and provide drinks. We are requesting that the guests bring the salad, vegetable, dessert, bread and appetizer. (This will be identified on the schedule.)

In addition, one of the guest slots will be vacant with every dinner. This is to allow the host to invite a new member of BAPC, someone who is not currently participating or a friend/neighbor. If you have questions, please contact Sandy Thornburg at 675-0529 or thornburg2005@verizon.net.

We would like to have more of our members enjoying the Salt Shakers experience! If you have participated, please ask one additional person or couple who didn't to join us! Thanks!

Please drop off this sign-up sheet at the Church office or put it in the Sunday morning offering plate by September 13!
