For the shepherds, that first Christmas brought joy and amazement as God fulfilled a long anticipated promise. The star proclaimed to everyone that Jesus was born and that, through him, we all have hope. Join us on Christmas Eve as we return to the basics; candles, carols, and a message of hope. Come and discover how Christmas can still renew hope in our lives today and in the future to come. Bring your family and friends. After all, we all could use an infusion of joy and hopeful expectation!
FROM: YOUR FINANCIAL SECRETARY:

You have probably noticed that each year a quantity of envelopes have not been picked up. In an effort to avoid waste and expense, we have again changed some envelope numbers for the 2017 envelopes. In particular, envelopes with numbers above 200 have been discontinued; individuals who held numbers 200-250 have been assigned a new number for 2017. Certain members have been assigned numbers in the 400-500 range, meaning the contribution account retains a number for identification purposes but no envelope box is issued. Included in this group are those using the direct transfer from bank accounts to the church, those generally making annual contribution of their pledge, those who mail in their contributions, and students who are away at college. Please let the office know if you do not find your envelope box with your name on it and wish to have one.

Thank you for the lovely Sanctuary flowers that Jane Lawrence delivered after church on Sunday. They were lovely and helped to brighten my home. I am thankful to be part of such a loving and warm congregation.

HOME FOR THE HOLIDAYS

Christmas brings us a season of gathering together and sharing traditions, memories, and the love and that is incarnate in Jesus Christ. During the holiday season so many people travel home. Others yearn for home. As members of the family of God, we have the opportunity to share our traditions, memories, and the love of Christ. We have the opportunity to invite people home for the holidays.

The movie, Field of Dreams, included the memorable phrase, “build it and they will come.” As we complete our feasibility study and consider a possible renovation of a Welcome Corridor, it is important to acknowledge that we are just dreaming if we think that, if we build, potential new church members will come. We all need to actively engage in the ministry of hospitality and welcome. Together, let’s revitalize our congregation.

Guests who come to a church event during December are more likely to come to a Christmas worship service. Also, the vast majority of worship guests have been personally invited by a church member. Therefore, our Session is encouraging each of our members to invite friends and neighbors to December events and worship. More information about each of the following events may be found in this newsletter.

**Invitation Postcards** will be available before and after worship on December 11. The front of the card has photos of our Christmas events. The back is an invitation to join us for our special holiday celebrations. Please take a card, address it to a friend, write a brief note, and mail it.

**25th Anniversary Messiah Sing-Along** on December 11. Invite your music loving friends to this joyous kick-off of our season of celebration.

**Annual Christmas Dinner** on December 14, will be a grand celebration with great food and Christmas music by the Dust Cutters. Families with young children, as well as seasoned seniors, will enjoy visiting with Santa. This is an ideal opportunity to introduce your friends to our church family … invite them to our most joyous family meal.

**Children’s Christmas Pageant** on the morning of December 18. Who doesn’t enjoy catching the Christmas spirit by watching children and youth present their rendition of Christmas story?

**Christmas Caroling** on the afternoon of December 18. Invite your friends to join the fun of spreading Christmas joy by singing Christmas favorites. Then, gather at church for hot chocolate and goodies.

**Blue Christmas Service** on the afternoon of December 18. Do you know someone who is struggling in the midst of the joyous spirit? Maybe they have lost a loved one or had a major life change. Invite them to the Blue Christmas service; a quiet time in the midst of the busy season when we reflect of Christ coming to bring healing and hope.

**Christmas Eve Worship Celebrations** – The best gift you can give at Christmas is the gift of the Christ child. Our Family Carol Sing is a celebration designed especially for families with very young children, yet enjoyed by anyone who is young at heart. Invite your friends to enjoy the Nativity Concert and our traditional candlelight service.

**Christmas Day Worship Celebration** – Christmas Day we will gather for an informal service at 10:00 a.m., read the scripture, and sing our favorite carols. Ben Houghton will offer his musical gifts to our celebration.

Welcome home! *Pastor Janet*
BLUE CHRISTMAS WORSHIP SERVICE

Sunday, December 18, 3:00 p.m.

There are many moments in our lives when we need comfort. There are tough times when we yearn for consolation. The suffering people who looked for the long-awaited Messiah were given a hope-filled image of God in the writings of Isaiah. It expresses the belief that no matter what happens to us, God will be there to comfort and support us.

Christmas can be a time for many when we are in need of that reassurance and comfort. Perhaps we are grieving over the loss of a loved one, struggling with illness, had a job change, or hold unhappy memories of Christmas past. We wonder how we will get through the holidays.

Those looking for comfort, hope, wholeness, and renewal are invited to join Pastor Janet Winslow and Steve Henley for a time of quiet reflection and meaningful words and music. Come and share the good news of “God with Us: Emmanuel!”

Comfort, comfort my people, says God.
Isaiah 40:1

ADVENT WORSHIP AND SMALL GROUP STUDY

“Marley was dead: to begin with.”
What ominous words to begin a Christmas Story.

Charles Dicken’s classic novel, A Christmas Carol is a story of brokenness and redemption. Scrooge begins the story as an unrepentant miser whose greed has caused harm to himself and others. The story ends with him a changed – a redeemed – man.

Just as Christ brings light and hope to a world in darkness, the events of A Christmas Carol shine light into the darkness surrounding Scrooge’s life, ultimately leading him to embrace the peace, hope, love, and joy we associate with Christmas.

December 4: The Remembrance of Christmas Past
December 11: The Life of Christmas Present
December 18: The Hope of Christmas Future

There are small groups meetings Sunday mornings, and Wednesday evening. A small group is also meeting at Brandermill Woods.

The study book, The Redemption of Scrooge, by Matt Rawle includes daily readings and Bible studies as well as reflection questions. The books are recommended but not required for small group participants. They are available as hard copy and e-books. Cost for the book is $15.00.

Let’s Go Caroling

After caroling we will meet back at church for hot chocolate and cookies. Sign-up on the Fellowship Board, located near the office lobby, so we can arrange for drivers.

Choose and Angel with individual gift suggestions from the tree in the office lobby on December 4. The gifts must be returned to the church by December 11. Local Angel Tree gifts will be delivered during the day on Saturday, December 17. If you would be willing to help deliver gifts, please add your name to the sign-up sheet on the table.

The primary purpose of the Angel Tree project is to send a warm Christian message to the inmates, their children and caregivers. Inmates are invited by prison chaplains to remember their children at Christmas through a personal message they send along with the gift we provide.

BAPC members have always been faithful and generous with their gifts and time for the Angel Tree children, and we encourage your participation in this rewarding ministry.
High School Youth Retreat - Camp Hanover
December 3-4 (4:00 PM Saturday-5:00 PM Sunday)

“Created in the Image of God”

All High School youth are invited to this opportunity to grow in faith with youth from across the presbytery.

What does it mean to be created in the image of God? Do we really see ourselves that way? Do we see others that way? If we did, would it change how we feel about ourselves or others? Would it change how we treated others? During this retreat, we’ll explore these questions together through keynote speakers, small group conversations and worship. There will also be plenty of time for fellowship and recreation. Cost $55. See Rev. Lauren for more information.

Christmas Joy Offering
Sunday, December 18
Presbyterians have long celebrated the birth of Jesus Christ by giving generously to the Christmas Joy Offering.

The Board of Pensions receives 50% of this offering to provide support to retired and active church workers, their spouses and families in difficult times.

The other 50% of the Christmas Joy Offering supports the eight Presbyterian-affiliated racial ethnic schools and colleges by providing funds for basic operating costs and scholarships.
Thank you to the acolytes who served in November: Jillian Peace, Jacob Smouse, and Sara Hinterlong.

Dana Peace was the cross-bearer, and Pete Gallini and Elaine Ogburn were the adult helpers.

This year we will not have our usual acolytes during Advent. The acolyte for Christmas Eve 9:00 service will be Nicole Gallini, and the acolytes for Christmas Day 10:00 service will be Dana and Jillian Peace. The adult helper will be Elaine Ogburn.

**Special request for adults in the congregation:**
If you appreciate the acolyte ministry, would you be willing to serve as an adult helper for Sundays in one month a year? It’s easy and also rewarding to help our children and youth participate as acolytes in the service. The biggest requirement is to arrive 15 minutes before the service. All of our acolytes know the routine already, and Elaine will walk you through it before your month. To volunteer, contact Elaine Ogburn at 320-4514 or esogburn@comcast.net.

Thank you!!

**Donate Your Required Minimum Distribution (RMD) Tax-Free to Charity**

Are you 70½ or older and have to take the required minimum distribution from your traditional IRA? In 2016 Congress made permanent the law that allows people to make a tax-free donation of up to $100,000 each year from their IRA.

The donation counts as your required minimum distribution but doesn’t increase your adjusted gross income, which can be particularly helpful if you don’t itemize and can’t deduct charitable contributions. Also, keeping some or all of your RMD out of your adjusted gross income could help you avoid the Medicare high-income surcharge or help make less of your Social Security benefits taxable.

**Contact your tax advisor and your IRA administrator for further information and how to transfer your RMD before the end of the calendar year.**

And, please consider Bon Air Presbyterian Church as one of the charities to which you donate your RMD.

**KIT (Keep In Touch)**

As you write your Christmas cards this year, please consider remembering some of our former members who have moved out of town to be near family.

KIT members are: Virginia Chaffin, Louise Mallory, Margaret Murphey, Garth & Jackie Nelson, Ethel Rhodes and Halma Wilson. All addresses are in the church directory. They would love to hear from old friends at BAPC.

GENERATIONS OF GENEROSITY

Throughout this Stewardship Campaign we have been guided by the words of Psalm 145 and our theme, Generations of Generosity. We shared our stories of God’s abundant goodness in our lives and the ways in which we are blessed by being part of this faith community. We heard sermons about the history of our church and the saints who came before us. We prayed about our commitment to pass our mission, “to seek and serve Christ to make a difference”, on to future generations. The Stewardship Campaign Committee thanks you for sharing your personal stories, your time, talent and treasure. Your generous pledges will make it possible for our church to move forward being the community of faith that Jesus Christ calls us to be.

SCOTLAND 2017
The Pilgrims Gather!
About twelve church members met in November to learn more about our Reformation tour of Scotland. We are planning to spend ten days in Scotland in August, September, or October. Pastor Janet has copies of the proposed itinerary and is happy to provide one upon request.

The tour will be specially designed for our group of about twenty travelers. We will have a personal tour guide who will pick us up at the Glasgow airport when we arrive and remain with us throughout our trip. We will be staying in fine, centrally located hotels so that we will minimize the need to be shuttled to various sites. The trip will cost just under $4,000 and includes airfare from Dulles Airport.

On Wednesday, January 4, we will be meeting at 7:00 p.m. with James Taylor, our Tour Coordinator, and finalize our plans. Anyone who is interested in joining us is encouraged to come to the meeting. Travelers do not need to be members of Bon Air Presbyterian Church, however our group will be limited to 24 travelers.

Kathryn Cardwell Preschool Scholarship Program
Did you know that there is a Kathryn Cardwell Preschool Scholarship program for our school? The purpose of this fund is to provide financial aid for children who otherwise would not be able to have a preschool experience. It is a wonderful option for us to be able to help a child have the ability to be exposed to a classroom setting before entering Kindergarten. Donations to this fund can be made thru the church by noting on the memo line that the monies are for the Cardwell Preschool Scholarship. Would you consider donating an amount, maybe in the name of your child or grandchild?

We have had a busy fall in our preschool program! Currently the pre-k class is curious about the Indians from our state and are heading to Maymont to visit a real buffalo! (according to the children, Bison – technically, but they are excited) They are also learning native songs and writings. If you stop in our “Lego room” you will see their workings on display.

Pauline Elmore reared her three daughters in Chesterfield County, where she lived for 22 years. She and her husband Bill moved to Northern Virginia in 1991 and returned here as retirees in 2011. They live at Harvest Glenn, a community of garden homes on Courthouse Road with two Jack Russell dogs, both rescues. Pauline was raised a Catholic, but, as an adult, she has not been a regular churchgoer. After returning to Chesterfield County, she started thinking about joining a friendly church community. She has found that community with Pastor Janet Winslow and the Bon Air Presbyterian Church.

BUILDING FOR OUR FUTURE
Feasibility Study Update
Thanks to everyone who has participated in a feasibility study focus group. Our consultant, Sean Mitchell, has collected the surveys and will be making a report to the Session. Based on his findings, knowledge, and experience, he will make a recommendation as to whether it is feasible for us to raise funds for the development of the Welcome Corridor. If he recommends that we proceed, he will also propose a projected amount that we may be able to raise.

Based on the consultant’s report, our Session will determine whether to proceed with the project as well as develop a financial plan which would be taken to the congregation for approval. Based on the projected funding goals, we will also determine whether we will fund the entire project or limit our endeavor to specific parts of the plan.
Thank you to all everyone for a great Trunk-or-Treat Celebration on Sunday October 30. We hosted over 100 children from our pre-school, girl scout troop, church and community. Thank you to everyone who hosted a trunk, helped with the games, and welcomed our children. A special thank you to our youth for their great leadership in planning and leading all the games!

Thank you all for your support and participation in Crop Walk!

We had 9 adults, 5 youth and 4 children participation for a total of 18 walkers! We enjoyed a beautiful walk around Bon Air with our Christian neighbors from St. Michael's Episcopal, Bon Air Christian, Christ the King Lutheran and Southminster Presbyterian Churches.

From our congregation alone, we raised a total of $732.25 and $4513.00 all together! Thank you all for your support and your generosity! We made a great witness and contribution to help alleviate hunger in our community and around the world.
Committee Seeks Your Help in Nominating Ruling Elders for the Class of 2020

In the coming months the Nominating Committee of Bon Air Presbyterian Church will choose seven nominees to be Ruling Elders, forming the Class of 2020. In preparing for this task, the committee asked four members who have served in this capacity to share their thoughts concerning three questions often posed by those involved in this process. They were asked to keep their replies very short. BAPC members may wish to ponder this Q&A as they consider names to be leaders of our church. The Elders asked to reply to the committee’s questions were Paul Beigbeder, Sandy Hartje, David Huffine and Barbara Jacocks.

Q: Why did you decide to accept the nomination to be an Elder?

Paul: I felt it was a call for me to more actively participate in the life of the church. Having been given the opportunity to serve on four occasions, I feel my faith, experiences, and friendships have positively grown.

Sandy: After a time of prayer and discernment, I decided that it was my time to “step up” and take a more active role in the life of BAPC by serving on the Session. I felt that this was a responsibility that God calls all members to accept and I was honored to serve.

David: Having served previously, I knew that there is no better way to contribute to the health of our congregational life.

Barbara: I have been a member of BAPC since I was 10 years old, and my dad always had so much fun going to Session and Presbytery meetings that I decided it was time when I was first called. I thought it might also be a good way to get more connected. The second time, in 2006, I got to chair Stewardship for a year which really introduced me to the FULL life of the church. The third time I was filling out an unexpired term so it was only a one-year commitment and I could stay on my regular committee as Moderator of Church and Society. I have enjoyed serving on just about every committee during my involvement as an active Elder.

Q: How did you balance the time requirements with your commitments to family, job and community?

Paul: Responding to the tugs and pulls of time by those we hold dear can be a challenge at times; however, by planning, dedication, and faith we can maintain a balance.

Sandy: I served on the Stewardship Division and was fortunate to work with a great group of folks with varied gifts and experiences. We all shared the duties and that was critical. Non-Session volunteers who serve on our divisions prove that many hands make lighter work. Family support was also appreciated. I often felt that my husband was serving on the Session with me as he provided encouragement and understanding when I was off to a meeting or working on a project. Embrace the calling.

David: My key to balance was finding roles where I had gifts and passion. Work in those areas is never “work.” The miracle is that everyone has different gifts and passions, so they all come together for the whole.

Barbara: Somehow it always seemed to work out even with busy schedules. The girls were active in youth group and Henry in various committees, so we were all actively engaged. BAPC is just such a part of our lives, an extended family. Before I made my current job change in 2009, outreach activities were a welcome outlet for me. Now my career is much more in sync with my church commitments. The only distaste I have had is having to go to a Presbytery meeting on a pretty Saturday!

Q: What personal growth did you experience from serving on the Session?

Paul: Serving on the Session broadened my knowledge and understanding of Bon Air Presbyterian Church’s many missions in serving the community and its congregation. I felt that I was expanding my abilities to be a servant in Christ’s calling.

Sandy: I definitely learned more about church government and became closer to those serving with me. My faith deepened during my three years on the Session as I saw and experienced God’s grace, guidance and love in my own life and the life of BAPC.

David: The fellowship among Elders must be experienced to be fully appreciated. Working together on decisions and projects, whether difficult or joyful, produces a camaraderie that carries over into congregational life, even long after the term of service. This continues to be very meaningful to me.

Barbara: Since I had been confirmed in the Presbyterian Church, I had always taken it for granted, the history and theology, etc. It wasn’t until my first Session training under Charles that I realized how wonderful the foundational democracy of the Presbyterian church is . . . it was a really good refresher for me.
